1. The tightening of border security in the Vimperk (N50/Q 46) area continues as the Czechs seem to be adopting Russian techniques to strengthen their border control. Settlement of families on land contiguous to the border is the first of these steps to be used in this area. Three families are to be settled on land near the village of Horska Kvilda (Innergefild) they will work as agents for the Ceske Budejovice (O49/Q 96) STB in reporting the movements of strangers in the vicinity of Horska Kvilda.

2. Instructions have been issued to all police stations in the Vimperk area, by military formation 4522 stationed at Vimperk, to compile a list of all unoccupied houses within the border area. The condition of the houses, the amount of necessary repairs, the number of people who can be accommodated, and the number of horses which can be stabled, are to be listed.

3. A platoon of soldiers from the military unit at Vimperk has reinforced the SNB in the Bucina (Buchwald – N49/Q 25) – Kunzvart (Kuschwarda – N49/Q 35) area. All the soldiers are indoctrinated Communists.

4. An ammunition depot is to be established at Horska Kvilda by the SNB upon orders of SNB district headquarters at Vimperk. Billeting facilities for 60 men who will service the depot are to be provided by the local SNB. In case of an emergency Horska Kvilda will be converted into a stronghold and the population will be moved out.
